

Italian Communist Chief Shot; Call General Strike

Five Italians Die In Riots After Shooting

by Frank Brutto
Rome, July 14—(AP)—A Sicilian law student shot and dangerously wounded Italy's top Communist Palmiro Togliatti today. Five persons were killed in Communist-inspired rioting and a general strike was called in protest against the attempted assassination.

Late tonight doctors said Togliatti was slightly improved. He still is suffering shock from three gunshot wounds received just before noon as he was leaving the chamber of deputies to buy ice cream.

The doctors said there are no complications after an operation to remove the slugs.

Italy was tense. Many citizens feared the shooting might give the extreme left a pretext to seize the power denied it in the April elections.

General Strike Called
As violence grew the communist-dominated General Labor Confederation called the general strike, to begin at midnight.

No time limit was set for the walk-out, which threatens to paralyze Italy's food, transport and industry.

After a three-hour meeting of the confederation's executive committee, observers said the labor leaders might keep the strike in force in an attempt to force the resignation of the De Gasperi government.

Two persons were killed in Naples, one a communist and the other a student demonstrator. One policeman was killed in Leghorn, one alleged fascist was lynched in Pisa, and a communist demonstrator was killed in Taranto.

Scores Are Injured
Scores were reported injured in the fighting.

From Palermo in the south to Trento in the north, work halted. Workers seized the biggest factories in industrial Turin; the city of Pombino, on the central Mediterranean coast, was reported completely in the hands of communists.

The communist-led General Labor Confederation said that strikes, flaring like wildfire, had virtually paralyzed industry and transport.

The General union committee of the government-operated railroads said tonight it approved a "spontaneous strike" of its members. This was tantamount to calling a nationwide railroad strike.

Catch Assassin
Police nabbed 25-year-old Antonio Pallante, who fired five bullets at the Moscow-trained communist leader.

Two bullets penetrated Togliatti's chest. One grazed his neck. The other two missed their mark as the 55-year-old Togliatti lay on the pavement.

Five hours after he was shot physicians reported that having complications, he should be considered out of danger.

Police questioned his youthful assailant in an effort to determine whether he acted alone or whether he was the communist and their socialist allies screamed — another hand armed him.

Allied Air Lift Builds 4-Week Food Bank in Berlin

Berlin, July 14—(AP)—American officials say the allied air lift to Soviet-blockaded western Berlin has built up a four-week food bank for 2,000,000 Germans living there. This indication of the efficiency of the plane ferrying service came as Berlin's communist press warned that the Russian siege may last into next winter.

L. T. Steck, American military government food chief, said last night that the western sectors of the city now have on hand at least a 28-day supply of meat, flour, potatoes and other staples.

Russian-controlled newspapers sought to dampen German optimism as British and American planes continued their round-the-clock shuttle. The Neues Deutschland, organ of the Soviet-sponsored Socialist Unity party, said:

"If power curtailments are enforced already in July, what will happen in the winter? And if enough coal can't be flown into western Berlin in July, what will be done about heating homes in the winter? Think it over, western Berliners."

The official Soviet army newspaper Tass's Rundschau said capitulation would "save the German people suffering" even as earlier surrender at Stalingrad would have saved German soldiers' lives.

Most Berliners find the air lift so dramatic that they stand for hours, just watching the big planes come and go. Yesterday American planes ferried 1,167 tons of food and supplies in 206 flights.

Latrun Is Preliminary To Jerusalem Battle

By Max Boyd
Cairo, July 14—(AP)—A decisive battle for Jerusalem appeared to be shaping up today around Latrun where the Arabs have plugged Jewish supply roads to the Holy City.

The Jews are pressing an offensive from the coastal plain in an effort to pry loose the Trans-Jordan Arab Legion's grip on the Latrun bottleneck. But Legion artillery still dominates this area.

The main Jerusalem-Tel Aviv highway meanders through Bab El Wad gorge at this point. It is 14 miles from Jerusalem and 18 from Tel Aviv.

Jerusalem Success Is Aim
A victory here would decide the success or failure of the siege of Jerusalem.

In the Holy City itself, Arab Legion and Trans-Jordan tribal rifle-men, supported by the Legion's heavy artillery, began a fight for Jewish-held Mount Zion, which is a threat to the Arab left flank.

Jewish sources said 120 of the enemy were killed when Arabs attacked Jewish positions near the Sejjera settlement between Tiberias and Nazareth but were repulsed.

Tel Aviv had four air raid alarms. A number of bombs were dropped. Two settlements south of Tel Aviv also were bombed.

Claim Other Successes
Elsewhere in the Holy Land fighting the Jews claimed military successes in the north, center and south.

For the second time twin-engine Syrian bombers struck Haifa. They caused no serious damage.

The British foreign office disclosed that Britain has proposed proclaiming Haifa a free port to help ensure the success of the European recovery program.

A spokesman said the purpose would be to allow resumption of the flow of crude oil from the Middle East oil fields through Palestine's largest port on its way to western Europe.

Reds Offer Conditions For Blockade Talks

'Final' Wage Offer Given To Union By Ford Motor Co.

Detroit, July 14—(AP)—The Ford Motor Co. gave the CIO-United Auto Workers what it called its "final offer" tonight—a flat 13-cents an hour wage increase and other non-wage benefits.

There was no immediate reply from the union as to whether the offer was acceptable.

The so-called fringe benefits include an improved group insurance plan, higher afternoon and night-shift pay differentials, and improved vacation provisions. The company also proposed extension of the present contract for a year beyond its scheduled expiration July 15, 1949.

Ford made its "final offer" at the first night negotiating session since bargaining started June 15.

The union's latest counter proposal demanded a flat 14-cent an hour raise and other benefits boosting the demand to a total of 28 cents.

Demos Disagree On Farm Plank In Platform

Philadelphia, July 14—(AP)—Sectional jealousies kept the Democratic party from rapping the Republican congress today for its failure to act on a world wheat-marketing pact.

The original draft of the party's farm plank sharply criticized the Senate because it pigeon-holed a 36-nation international wheat agreement. This agreement, reached after years of negotiation, was to have been the pattern for pacts on other crops.

But the platform committee erased this censure of the GOP. Men who sat in on the platform deliberations said delegates from cotton, tobacco and other crop-producing areas had objected that wheat would get prior treatment under the pact.

Failure of the Senate to ratify the agreement before it adjourned led Great Britain, a major importing nation, to withdraw. Several other countries followed Britain's suit.

Much Grasshopper Damage Predicted

Urbana, Ill., July 14—(AP)—The migration of grasshoppers from the clover fields and meadows to the corn and soybeans fields "is on" in Illinois.

It was the word today from John Biggers, entomologist of the Illinois Natural History Survey.

He said the infestation is state-wide and that the damage may be the worst since the drought years of 1934 and 1936 when the loss ran into several million dollars.

W. P. Bunn, Champaign county farm adviser, said there was a "super abundance" of hoppers in that county. Farmers have rented an air-gun to have their fields sprayed chemically.

SEEK SALESMAN
Chicago, July 14—(AP)—Police have been searching unsuccessfully for O. G. Corns, Jr., 34 year old sales representative, who disappeared from his suburban Winnetka home two weeks ago.

His wife, Betsy, said she believes her husband may be suffering from amnesia.

Reds Offer Conditions For Blockade Talks

London, July 14—(AP)—Russia said today it will negotiate with the western powers over the Berlin blockade only if the talks include the whole question of four power control over Germany.

In a note to the United States made public by the Moscow radio, the Soviet Union blamed the current situation in Berlin on violations by the United States, France and Britain of four power agreements.

The United States protested to Russia July 6 over the Soviet land blockade of Berlin which has forced the U.S. and Britain to fly food and other supplies into Berlin to sustain the western sectors' 2,000,000 German residents.

The Russian reply said the three western powers had broken a four power agreement for administration of Germany as a whole by proposing a separate government for Germany. This referred to the action of the western European union in paying the way for eventual partial self rule by Germans of the western zones.

The western allies "thereby undermined also the legal basis on which rested their right to participate in the administration of Berlin," the note said.

The note was broadcast in Russian and translated here by the Soviet monitor. It was a copy of the one delivered today to the U. S. state department in Washington. Britain and France also received their replies today.

The note to the United States said the Soviet government must reject as "altogether unfounded" contentions that cutting off surface communications between Berlin and the western zones of Germany constitutes a violation of existing agreements relating to the administration of Berlin.

Tucker Dealer, Stockholder Sue New Auto Corp.

Chicago, July 14—(AP)—A stockholder and a dealer's firm today sued the Tucker Corporation, alleging that the auto firm "is in danger of financial collapse."

The federal court suit asked that a receiver be appointed for the company which has been planning a radically-designed new automobile.

It was filed by Edward Hubant, Edward L. Story and Thomas Vinella, all of New York, against the corporation and President Preston Tucker. Hubant owns 100 shares of common stock, Class A, and the other two have a Summit, N.J., dealer franchise.

The suit states the Tucker auto was advertised as "new and unusual" and that the offer "to sell and attempt to produce said cars was started in 1946" but that "no car of any kind other than the experimental car has been produced."

It further alleged that the company "has dissipated a large portion of its cash so that there remains not sufficient money to meet its current necessary expense."

Togliatti Shooting 'Outrages' Moscow

London, July 14—(AP)—The Communist party of Russia said tonight it was "outraged" by the shooting of Communist Leader Palmiro Togliatti in Italy.

The Moscow radio broadcast a message over Prime Minister Stalin's signature saying:

"The central committee of the Communist party of the Soviet Union is outraged by the villainous attempt of an outcast of humanity on the life of a leader of the working class and all laboring people of Italy, our well-loved comrade Togliatti."

Bulletin

Convention Hall, Philadelphia, July 15—(Thursday)—(AP)—Senator Alben W. Barkley of Kentucky was nominated by acclamation by the Democratic national convention today as its 1948 vice-presidential candidate.

The Kentuckian's nomination as President Truman's running-mate came after the name of Senator Richard Russell of Georgia was withdrawn. Russell had been nominated by Senator Lister Hill of Alabama.

Rayburn put a motion applying the two-thirds majority to suspend the rules and declare Barkley nominated by acclamation. The motion was made by Gov. Earle Clements of Kentucky.

The action was by voice vote.

A radio network broadcast early Thursday morning said this morning that the President will call a special session of Congress for July 26 in his speech accepting the Democratic nomination.

NLRB Withdraws Injunction Suit Against Miners

Pittsburgh, July 14—(AP)—Coal flooded again from steel company-owned mines today as the government withdrew its injunction suits against the United Mine Workers in the captive contract case at Washington.

Captive miners who began a work stoppage July 6 for lack of a contract, resumed work upon the strength of yesterday's contract signing, obtained through the insistence of Federal Judge T. Alan Goldsborough.

In the capital, the judge today permitted the National Labor Relations Board to drop its injunction proceedings in view of the new contract. Operators of the captive, or steel company-owned, mines signed the agreement upon the UMW's promise to modify its union shop clause should later court rulings require it.

The NLRB made it clear it was dropping the case reluctantly and still regards the contract illegal.

Special Attorney Appointed In Suit For \$46,000,000

Chicago, July 14—(AP)—The government named a special U. S. attorney today to defend government contractors who are being sued for \$46,886,588 by 669 employees held captive by the Japanese during the war.

He is Jerome F. Dixon, Chicago attorney, named for the post by U. S. Attorney Otto Kerner, Jr.

Although the suit is against the contractors, the government is interested in the case because the contractors worked on a cost plus basis. Should the contractors lose the case, the government might have to pay the additional costs.

The suit says the employees were captured while working on Guam, Wake Island, and the Philippine Islands and claim compensation for injuries received while in captivity. The employees also charge they should be paid wages for the time they were held captive.

Southern States Leave Convention As Race Protest

Convention Hall, Philadelphia, July 14—(AP)—Mississippi's delegation and half of Alabama's walked out of the Democratic convention tonight, angry over its adoption of a strong "civil rights" platform plank.

Handy Ellis, chairman of the Alabama delegation, announced the walkout move. He said 13 of Alabama's 26 delegates were leaving and 23 of the 26 alternates. Mississippi's 30 delegates—with 22 votes—followed the Alabama walkers.

Senator Eastland of Mississippi told reporters that "in all probability" the protesters will hold a convention in Birmingham.

The purpose would be to name a southern Democrat as a presidential candidate.

Telling the convention "goodbye," Ellis said that Alabama electors were under pledge that they would never cast their votes for Harry S. Truman.

BUZZ BOMB TESTS
Panama City, Fla., July 14—(AP)—Extensive buzz bomb tests will be carried out off Santa Rosa Island July 16 and 22, the Elgin Field Air Force base public relations office has announced.

PRINCIPAL RESIGNS
Urbana, Ill., July 14—(AP)—M. Curtis Howard, principal of Urbana high school, resigned today to become principal of Ball State Teachers College laboratory school at Muncie, Ind.

Truman Nominated; South Protests By Walking Out

Demos Battle On Platform As Expected

Philadelphia, July 14—(AP)—The Democratic national convention handed the south a double barreled defeat on the race issue today. It slapped down Dixie's states rights plank and then amended the platform to stamp endorsement on President Truman's civil rights program.

The repercussions came loud and fast, as:

1. The Mississippi delegation and half of Alabama's 26 delegates stalked out of the convention—taking a walk.

2. Governor Ben Laney of Arkansas, bitter foe of Mr. Truman's civil rights program, withdrew as a southern bloc's candidate for president, saying if nominated he could not run on the platform ratified today by a majority of the Philadelphia convention.

End Of Southern Demos
The crucial convention action on the race issue came in the face of a solemn warning from one Dixie spokesman that it would mean destruction of the Democratic party in the South.

Some southern delegates quickly made plans to call a separate convention, nominate their own candidate for president and write their own platform.

The history-making political development, that may determine whether Democrats will be one party or two, rocked the convention just before a majority of delegates shouted approval of a 5,000-word 1948 "Roosevelt-Truman" platform.

First the convention refused, 925 to 309, to put a states rights plank in the platform. This plank, offered by former Governor Dan Moody of Texas, would have declared that states have the right to run their own internal affairs and police powers. Thus the South had sought, while joining in support of a general civil rights plank, to have the convention declare that states have jurisdiction over the legal processes governing those rights.

Then, to rub it in, the convention adopted an amendment to the platform sponsored by Mayor Hubert H. Humphrey of Minneapolis and former Rep. Andrew Biehl of Wisconsin, endorsing the president's civil rights stand. The vote was 631 to 582.

Shoot 3 Strikers Trying To Board Canadian Ship

Samia, Ont., July 14—(AP)—Three striking seamen were shot late today during a pitched battle between crew members of the Canadian steamship Lethbridge and a boarding party of strikers who climbed aboard as the ship docked here.

Three strikers, identified as members of the Canadian Maritime union, were arrested on charges of boarding a ship illegally.

Chief Constable Hugh Peden said the fracas came within moments after the freighter glided in to a dock at Point Everett.

The boarding party of six strikers, led by Mike Hornack, an agent for the union, swarmed aboard via a small cargo gangway.

As the men converged on deck, First Mate A. Hueston came out armed with tear gas bombs and a fire hose.

Chief Engineer M. Murphy of Meland, Ont., grabbed a shotgun and rushed to Hueston's side.

He fired two barrels at the boarders, who fled. Those who escaped injury helped the injured off the boat.

ARREST WOMAN FOR POISONING SIX

Hamburg, Germany, July 14—(AP)—German police said today they had arrested a woman they accused of killing six housewives by poison. They identified her as Ingrid Kuschinsky, 36.

The police said the woman, a resident of Hamm, entered 20 houses there on various pretexts. Once inside, they said, she would offer the housewife a cigarette or some packaged tea or coffee.

The gifts were poisoned and when the hostess collapsed, the Kuschinsky woman would rob the house, police said. They said six victims died and the others became ill, but survived.

RABBIT CHASES DOGS
London, July 14—(AP)—The rabbit chased the dogs at a suburban track tonight.

The doors to their traps were sprung too soon and the dogs were follow after the way around by the rabbit lure.

The race was re-run in proper order for the benefit of the bettors.

Democratic Choice

PRESIDENT HARRY S. TRUMAN

Gets No. 2 Spot

SEN. ALBEN W. BARKLEY

Seattle, July 14—(AP)—A 41-year-old lieutenant commander in the Navy, Margaret Jones, senior Waves commander for the 13th Naval District, was shot and killed half a block from her home as she left for work today.

Vernon Allen, 42, was in critical condition in Harborview County hospital with a bullet wound in the head.

Detective Austin Seth of the Seattle police homicide detail said Miss Jones' roommate, Esther Jones (not a relative), gave this account of the shooting:

"She and Margaret were just getting into their car when Allen walked up, smiling, took out a pistol and shot Margaret. Margaret jumped from the car and tramped crossing the lawn. Allen walked over and shot again."

Then, Esther said, he walked back into the street and shot himself in the head.

Allen dropped out of the University of Washington summer school recently. Esther said Margaret had rejected a proposal by him.

Then there had been one for Russell. Twenty minutes of it. The folks from Dixie struggled through the aisles, with Trumans using huge pictures of their man as barricades.

And this is the convention the delegates and spectators had been calling dead and dreary.

Alabama Starts Walkout
It was quiet enough when the call of states for nominating speeches was ordered. Alabama was first on the list.

Chairman Handy Ellis informed the convention that "we are faced with the necessity of carrying out our pledges to the people of the State of Alabama, not to cast Alabama's votes for:

A Republican.
Harry S. Truman.
Anyone standing on a civil rights plank such as the convention adopted today."

So, he said: "Thirteen of the delegates and all but three of the alternates will proceed to walk out of this convention and report to the Democratic party of Alabama."

Talk of New Party
Before the take-a-walk crowd pushed its way through the packed middle aisle, a Wisconsin delegate yelled:

"Good riddance! We'll win in November without you."
"The hell you will," Ellis yelled back. "Harry Truman won't get \$5.50 from the white people in Georgia to help his campaign."

Some southerners even talked of starting a new party and running a candidate of their own. But they were by no means united on that. Many refused to bolt.

WAVES COMMANDER SHOT AND KILLED BY REJECTED SUITOR

SEN. ALBEN W. BARKLEY

Waves Commander Shot And Killed By Rejected Suitor

Seattle, July 14—(AP)—A 41-year-old lieutenant commander in the Navy, Margaret Jones, senior Waves commander for the 13th Naval District, was shot and killed half a block from her home as she left for work today.

Vernon Allen, 42, was in critical condition in Harborview County hospital with a bullet wound in the head.

Detective Austin Seth of the Seattle police homicide detail said Miss Jones' roommate, Esther Jones (not a relative), gave this account of the shooting:

"She and Margaret were just getting into their car when Allen walked up, smiling, took out a pistol and shot Margaret. Margaret jumped from the car and tramped crossing the lawn. Allen walked over and shot again."

Then, Esther said, he walked back into the street and shot himself in the head.

Allen dropped out of the University of Washington summer school recently. Esther said Margaret had rejected a proposal by him.

Then there had been one for Russell. Twenty minutes of it. The folks from Dixie struggled through the aisles, with Trumans using huge pictures of their man as barricades.

And this is the convention the delegates and spectators had been calling dead and dreary.

The race was re-run in proper order for the benefit of the bettors.

South Fights But Truman's Victory Easy

BULLETIN

Convention Hall, Philadelphia, July 15—(Thursday)—(AP)—Harry S. Truman was nominated for president on the first ballot early today by a Democratic party which is facing its worst split since before the Civil War. President Truman received 947½ votes to 263 for Sen. Russell of Georgia and ½ for Paul McNutt. 23 delegates, including 22 from Mississippi, declined to vote.

by Douglas B. Cornell and Ed Creagh

Convention Hall, Philadelphia, July 14—(AP)—Rebellious delegates from Alabama and Mississippi stomped out of the Democratic national convention tonight with state flags flaunting defiance of those who stayed behind to nominate Harry S. Truman.

The angered south followed up the walkout—a protest against the convention's strong new civil rights stand—by putting Senator Richard Russell of Georgia in nomination for presidency ahead of Mr. Truman.

They knew they couldn't stop the president from being nominated on the first ballot. But they organized to make their civil rights protests as vigorous as they could as a prelude to what looked like a wide north-south split.

May Hold Own Convention
And the walkers, some of the indicated they might keep on going as far as Birmingham, Ala., to hold a rump convention and pick a Dixie candidate for president. So maybe there'll be a fourth party, along with the Republicans, Democrats and Henry A. Wallace's third.

Gov. Phil Donnelly of Missouri put Mr. Truman's name in nomination as "the man of the people." Just as he finished, the president arrived by special train from Washington to accept the nomination that was certain in spite of all the south could do.

And for his running mate, the choice was Senator Alben Barkley from border-state Kentucky.

'Soldier, Patriot, Statesman'
Donnelly praised his fellow Missourian as "soldier, patriot, and statesman," a man "whose splendid courage never faltered, in war or in peace, and who is today leading this nation to a new and greater destiny."

And then the Truman version of bedlam broke out in this vast, superb hall. It was bells, whistles, rattles, a siren or two, band and organ, just plain whooping and nattering.

PERFORMING A SACRED DUTY

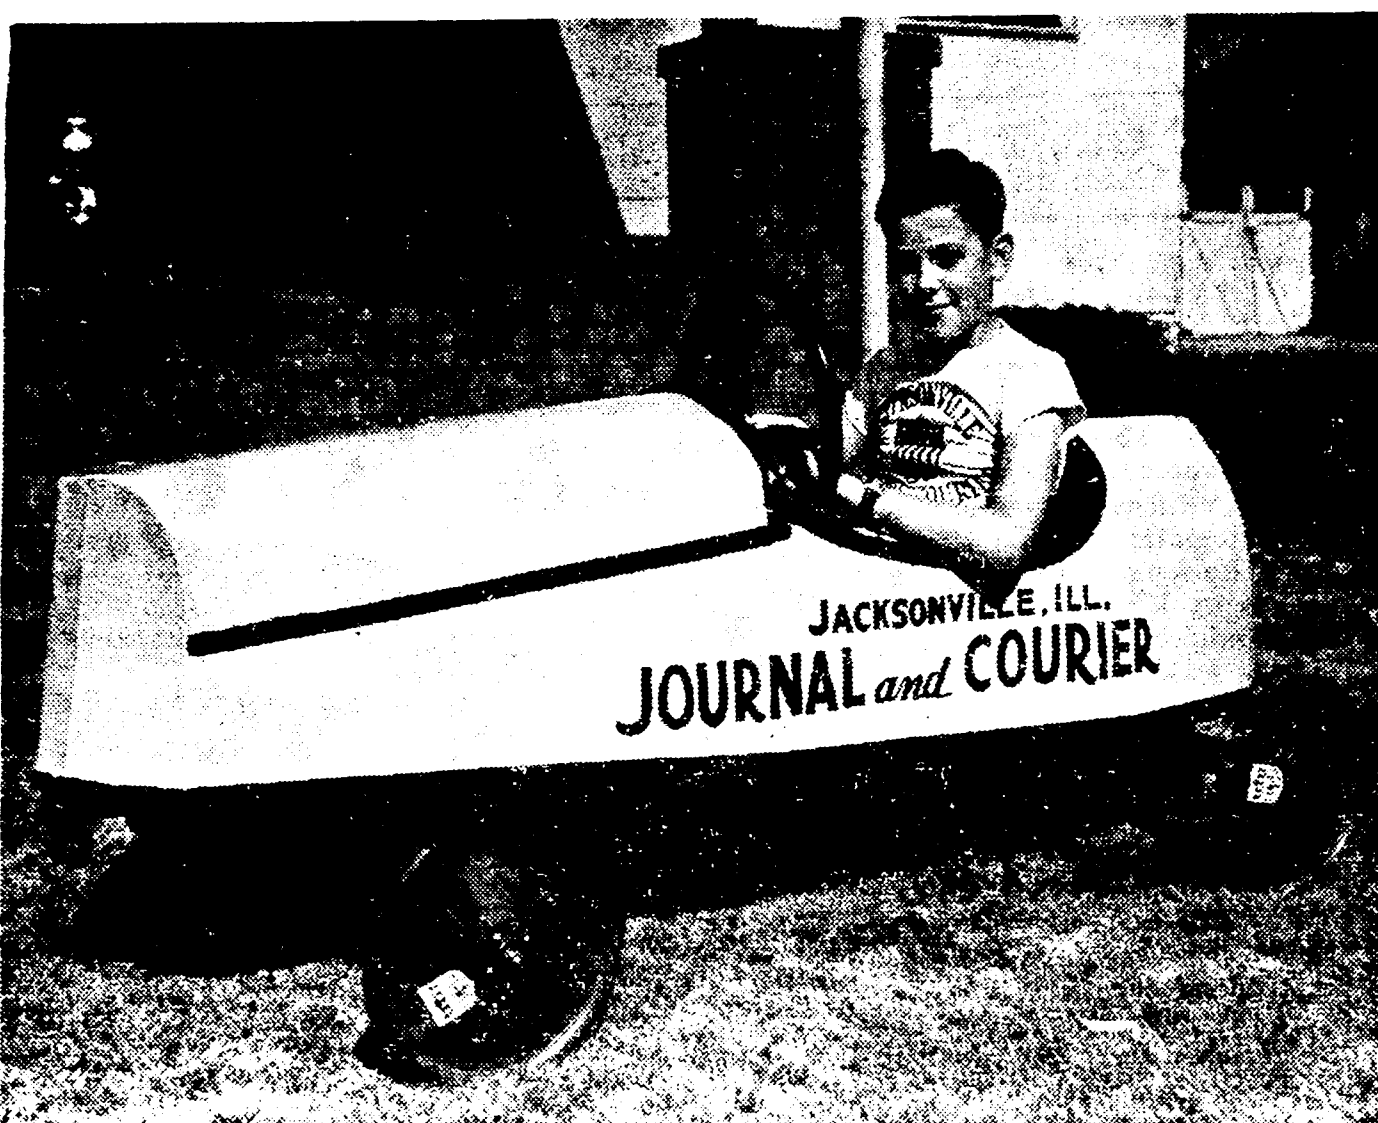

The bodies of at least 25 men from the Jacksonville area who lost their lives in foreign countries during World War II have been returned during the last year for final burial. In each instance full military services were conducted at the graveside. Members of the American Legion, Veterans of Foreign Wars and Armvets combined forces to provide an impressive ritual at each reburial. It is of the post-war service of these veterans who are never too busy to officiate at the grave of a fallen comrade that we wish to speak.

Each veteran who helps to make up the contingent of 15 or more men devotes from two to four hours in attendance at a military reburial. Occasionally as many as three such services are held in this community within one week. All veterans composing the military squad volunteer their time and services. They leave offices, stores, farms and factories to assist with the solemn duty of extending final tribute to their comrades who paid the supreme sacrifice.

Many who have witnessed the ritual at the graves of veterans comment on its impressiveness. The service is conducted by a commander and chaplain, color guard, color bearers, firing squad and buglers. Officers of the three veterans' organizations rotate in officiating at services. Many of the men who participate in reburials are the same families of deceased veterans find the presence and assistance of these men comforting. Bereaved families may derive some solace from the knowledge that the remains of their sons are escorted to their final resting place by their comrades.

From 25 to 50 more reburials will take place in the Jacksonville area within the next two years. Each service will find veterans ready to donate time to attend funerals and conduct rituals. They know that any inconvenience they may experience is trivial when they assemble to pay homage to one who sacrificed his life for his country.

First Two Jacksonville Champions

Upper photo shows Harlan Williamson, the first official Soap Box Derby winner from Jacksonville. Williamson is now a funeral director in this city. He evaluates the Soap Box Derby in today's article in the Journal. Below is Jimmie Wood, champion in 1941. Wood is now a student at Illinois college.

This year's Derby promises to be best yet. Derby officials say that racers on display at Corn Belt Chevrolet garage are extremely well constructed, probably better constructed than the combined racers of any past year. Constant improvement in design has been one aspect of Jacksonville Soap Box Derbies.

The 1948 Soap Box Derby will be held Sunday, July 18 at 1 p. m. The ramp will be located near the intersection of Park and Grove streets and the finish line will be approximately 1,000 feet east of the ramp. Officials estimate that 10,000 people will watch the 46 contestants battle it out. The winner will represent Jacksonville in Akron, August 15, and will there compete for a four year scholarship in any college in the United States and hundreds of other prizes.

Dr. D. A. Yowell, Veterinarian, Dies At Virginia Home

Virginia—Dr. D. A. Yowell, veterinary surgeon, died Wednesday at 9:15 a. m. at his home in Virginia. He was 61 years of age and had been in ill health for the past few months.

Dr. Yowell established his practice in Virginia in 1906. Since that time he had become one of Virginia's most prominent and highly-esteemed citizens.

His early years were spent in Mason City, Mo., his birthplace.

Surviving are his wife, Rena Strubling Yowell; a son, Albert of Virginia; two daughters, Mrs. Reynolds McClintock and Miss Ann Yowell, both of Springfield; his mother, Mrs. B. K. Yowell of Monroe City; two sisters, Mrs. L. L. Hagen of Mexico City, Mo., and Mrs. Stella O'Daniels of El Cajon, Calif.; and three brothers, Emmet and Ray of Monroe City and Marvin of Denver, Colo.

Funeral services will be held Friday at 2:30 p. m. at the Presbyterian church in Virginia, with the Rev. T. Chandler Burton officiating. Burial will be in Walnut Ridge cemetery. The body is at the Massie Funeral Home.

Boyle's Column

A Democratic Lady With Goose Pimples

By Hal Boyle

Philadelphia, July 14—(AP)—The lady in green had goose pimples—and a heart full of words.

She also wore a pink petticoat, a big diamond ring bright as a firefly, and a solemn cocoa-colored makeup that crinkled as she talked.

But the thing that made congresswoman Helen Gahagan Douglas the toast of the Democratic convention last night was her mixture of mature beauty and her political earnestness.

She was the Democratic answer to the glamor challenge raised by the Republicans three weeks ago when they featured Clare Boothe Luce as a convention speaker.

And Mrs. Douglas was ready to take up that challenge!

A Hair-Pulling Question Whether Congresswoman Douglas or ex-Congresswoman Luce is the most glamorous gal in politics is a hair-pulling question among feminine supporters of the two ladies.

But last night La Belle Douglas had a big advantage. She had the edge that any experienced actress has after watching another actress perform under strange and new conditions.

The new element was the magic and sometimes cruel eye of television. That eye turned Mrs. Luce, a slender, blonde, white-skinned beauty, into a pale, gesturing ghost on the television screen during her speech before the Republican convention.

Learned a Make-Up Lesson Mrs. Douglas, chestnut-haired wife of Movie Actor Melvyn Douglas, learned a makeup lesson from her rival. When she stepped to the speaker's table, she may have looked to the delegates slightly like Pocahontas getting ready to put in a good word for John Smith.

But on television she was as pretty as Ingrid Bergman seen from the tenth row in the orchestra.

For all her public speaking experience, the Irish lady in the Kelly green dress was nervous.

The goose-pimples—or duck bumps—came out on her firm, rounded arm.

The lady had herself in hand. Down the verbal road of New Deal loyalty she went, here whacking the Republicans, there calling upon Democrats to make a memorial to Franklin D. Roosevelt through "service to humanity."

Stirred the Convention It was the speech of a strong and aggressive man delivered with the finesse of a woman recalling her husband to forgotten duties. And she really stirred the convention with her electric fervor.

When she stepped back, the delegates leaped to their feet and gave her an ovation second only to that accorded keynote Speaker Alben W. Barkley.

The California delegation rushed toward the platform waving placards that said:

"Our Heien," "We love her," "California's national friend," "Labor's friend," "The housewives' friend."

Dressed Better House While old party warmorses looked on in amazed silence at the demonstration, Mrs. Douglas, flushed and exuberant, her goose pimples gone, waved and kissed her hands to the crowd.

But the conventions are run by men. And the men had made a mistake. They had given her the last place on the program, and most delegates had already left the hall before she rose. Few left once she started speaking.

But the lady in green deserved a better house. And she deserved a better stage manager.

Former Derby Champs Attend School, Enter Professional Life

The question sometimes arises, what happens to Jacksonville Soap Box winners as the years roll by? No doubt, these are young men of the community with initiative. Ingenuity is demonstrated in victory. More than luck is needed. A sketchy survey of present achievements of past winners bears this out.

Paul May was the first winner of the Derby. That was not an official Soap Box Derby, but competition was as keen. Jacksonville boys always put on a good race. It matters little whether it is called a Soap Box Derby.

In the nine years since May crossed the finish line ahead of Harold MacDougall, big things have happened. May did his part in the drama. He saw combat with Patton's famed 3rd Army. He is attending watchmaking school in Kansas City, again demonstrating the mechanical ability needed to build a winning Soap Box racer.

Harlan Williamson was the first official winner. He is now Funeral Director at Williamson's Funeral home. In the eight year gap, after he won, Williamson graduated from Jacksonville high school, attended the University of Illinois and Mortuary college. Recently Williamson sparkplugged the Red Cross drive in Morgan county.

High Opinion of Derby Williamson has a high opinion of the Derby. "As far as I'm concerned," he said, "it's one of the best things in Akron. Our man has as good a chance as any in the country," he said. "There are certain things which cars have to have to win, and Jacksonville cars have consistently been among the best."

This statement is implied by Crawford's performance last year. Crawford made better time than the Grand Champion Kenneth Holmfelt, Charleston, W. Va. That particular heat was the fastest of the day.

Williamson said he feels that the race gets better every year. He noted the biggest changes since his day in design. Derby officials have changed the rules to put a stop to radical designs.

Woods Served In Navy Jimmie Woods, the 1941 winner could not be contacted. Woods, though, served in the United States navy and has entered and is attending Illinois college. This summer he is at a summer camp in Wisconsin.

The war put a crimp in the Derby from 1941-1946. The 1946 winner, Bruce Samore, will be a sophomore in high school next year. This summer, he too is out of town. Bruce is at Boy Scout camp Illinek, Springfield, Ill. Again leadership comes to the fore. Young Samore is on the staff at the camp.

His main interests at this stage of the game are baseball, basketball, and football and other sports. He is anxious to attend the Derby, but his duties at camp may make this impossible.

Lawrence Crawford, Jr., is the last Derby winner. Crawford will be a sophomore in high school next year. This summer he is working at Crawford's lumber company, but plans to attend camp later. Crawford intends to become an architect and to enter the retail lumber business.

Crawford Endorses Opinions Crawford heartily endorsed the opinions of other Derby winners, that one is treated as a king in Akron. Prizes he received included everything from a wrist watch to trinkets from the Goodyear Rubber factory, located at Akron.

Crawford said that the most exciting moment in his life was when he competed against the best drivers in the country at Akron. The crowd goes wild, he said.

Crawford concluded by saying that

Optimists Make Plans For Night Program July 23

Officers and members of the Optimist club at their noon luncheon Wednesday discussed plans for a night meeting on Friday evening, July 23, at the Dunlap hotel. An interesting program is being arranged with a speaker and entertainment.

Judge Paul Fenstermaker, president, reported on progress which has been made in selection of projects to be fostered by the club which launched activities in June with a membership of more than 60. Committees are at work on several activities.

Secretary Clarence Muehlhausen, vice presidents M. Brooks Byus and William Townsley, and several members participated in a discussion of club affairs. Birch B. Ridgway of the Journal Courier was introduced as a new member.

Several club officers went to Havana later in the afternoon to attend a district Optimist conference.

Rites at Jerseyville For Leo Kirchner

Jerseyville—Funeral services for Leo B. Kirchner will be held Thursday at 2 p. m. from the Jacoby Brothers Funeral Home. The Rev. Father P. P. Heinen, pastor of the Holy Ghost church, will officiate. Interment will be in the Oak Grove cemetery.

The deceased was the son of Benjie and Rosella Jilek Kirchner and was born in Jersey county on July 17, 1903. His death occurred at his home in Alton on July 12, at 10:15 p. m., following a short illness.

INJURED IN ACCIDENT
Ashland—Mr. and Mrs. L. D. Lewis received word that their daughter, Catherine of Vandalia, was injured in an auto accident last week and is now a patient in a Vandalia hospital, with several broken ribs.

GET THE NEW LOOK— SLIM DOWN YOUR WAIST LINE

When you buy Rensel, you buy a preparation for taking off weight. You do not pay for any printed diet or for vitamins to fortify you against weakness while on a starvation diet. You need never know a hungry moment while taking this preparation. Rensel is the original grapefruit juice recipe to take off ugly fat.

Just go to your drugist and ask for four ounces of liquid Rensel. Pour this into a pint bottle and add enough grapefruit juice to fill the bottle. Then take just two tablespoonsful twice a day. That's all there is to it.

If the very first bottle doesn't show you the simple, easy way to take off ugly fat, return the empty bottle for your money back.

Lost 19 Pounds

The following is one of the many amazing

endorsements we have received. Don't starve—eat plenty and take off weight with Rensel.

"When I began to take Rensel Concentrate, I weighed 155 pounds. I now weigh 136 pounds. I wear a dress size much smaller—thanks to Rensel. It has made me feel better in every way. It took fat away from my stomach and that, of course, has made me look much better."

Signed: Mary Frances Ratcliff, 201 Monroe Street, Farmer City, Illinois.

The endorser of Rensel are busy with their own affairs. Please don't contact them. We will pay \$100.00 if we cannot produce the above testimonial.

July Meeting Held Friday By Club At Chambersburg

Chambersburg — The Chambersburg community club met Friday afternoon for its regular meeting. Mrs. Laverne Riley, Mrs. Elva Riley, and Mrs. Hilda Renshaw were in charge.

Roll call was answered with a suggestion to beautify the home. Each member told what she has done within the last year to effect this. Program selections included "The Bells of Mt. Vernon", Mrs. Laverne Riley; "What Shall We Do with the Old Folks", Mrs. Elva Riley; and "I Like Uncle Sam's Birds", Hilda Renshaw.

Musical selections concluded the program. Achievement Day was the scene of activity recently. Four-H girls modeled dresses. Louise Downey was awarded 1st place in the ensuing contest. Maurine Lerch won second and Mary Ham third.

These three girls will represent the Chambersburg club in the county achievement day.

Cookies and punch constituted refreshments. The cookies were made by the girls in the cookie project.

Mrs. Virginia Lerch and Mrs. Bessie Jane Vose are the 4-H leaders. Several birthdays were celebrated together at the home of Mr. and Mrs. Mervin Dugan. Others celebrating besides Mr. Dugan were Mary Irene Wright, Marjorie Pool, Andrew Morris, and Duane Pool.

Those present were Mrs. Myrtle Dugan, Mr. and Mrs. Clarence Wright, Peoria; Mr. and Mrs. William Roberts, Decatur; Mrs. Bob Morris, Rock Island; Mr. and Mrs. Carl Luthy, Rushville; Mr. and Mrs. J. K. Whitaker, Eldorado; Mr. and Mrs. Gerald Dugan and family and Mr. and Mrs. Walter Pool and Duane.

Ashland

Ashland—Mrs. Artie Walker, Mrs. Louise Quinley, Miss Rose Hinds, Mrs. Edith Caswell, Mrs. Ethel Spicer, Mrs. Almeda Watkins, Mrs. Nora Bailey, Mrs. Bessie Willis, Mrs. Stella Bergis, Mrs. Leta Hammack and the Misses Lorena Bailey, Elsie Carls and Rosella Jones attended the district officers meeting of the Franklin Rebekah lodge. A potluck supper was served at seven o'clock in the Methodist church basement.

Mr. and Mrs. Don Gainer and daughter Jane attended the funeral of Mrs. Gainer's uncle Wm. Weichel, in Pekin. Mrs. Lydia Burnshauer, who has been visiting at the home of her daughter, Mrs. Gainer, and granddaughter, Betty Jean Burnshauer have returned to their homes in Manito, after a week's visit here.

Mr. and Mrs. Everett Davison and children of Newark, Ohio, are spending their vacation at the home of his parents, Mr. and Mrs. Halleck Davison, and other relatives.

Preparations Started For "Y" Circus Aug. 6

The tap dancing class at the Youth Center is busily engaged in preparing a routine to be presented at the "Y" circus, which will be staged at the Academy lot on Friday, Aug. 6.

The class, made up of about 33 youngsters, one-third of which is boys, holds practice sessions at the Youth Center at 2:30 p.m. each Monday, Wednesday and Friday.

The instructions are given under the direction of Janie Johnson and Evelyn Harris, both students at MacMurray College.

The lessons are free of charge and are open to young people of any age, boy or girl.

Besides the dancing routine, several other feature acts are planned for the circus. The highlights will include carnival booths manned by the young people themselves; an-

ing part, and tumbling acts. The judging of posters for the Humane society's pet show on Sept. 25 will be another circus feature. Already 23 entries have been received from contestants.

Any youngster is eligible to enter the contest. The posters may be made at home or at the Youth Center, where special art classes are held each Monday, Wednesday and Friday afternoon under the supervision of Mrs. Mildred Beasley.

The Humane society is offering first, second and third prizes for the three best posters.

A few days in advance of the circus, on July 27, a "Wheel day," similar to the event staged Monday afternoon at Jefferson school, will take place at the Academy lot.

Costumed youngsters and decorated bicycles will for a parade around the immediate vicinity of the Youth Center. The parade is in connection with the circus and will prelude many of its events.

Lubrication has its 'geography' too!

In 74 Cities, Standard Oil Operates 80 Dealer Training Schools Teaching Better Care For Your Car

Locating those vital lubrication points on your car is no trick to your Standard Oil Dealer. For he depends on "maps" . . . the lubrication charts that cover every make and model of car. Expert use of these charts is taught in the 80 Standard Oil advanced training schools. It's part of an intensive course in "Personalized Service"—to assure your car the individual attention it needs, to bring you the personal service you enjoy.

Thousands of Standard Oil Dealers have received this training. Others enroll at the rate of 250 every two weeks. By putting into practice what they have learned in school, they earn a Service Specialist award which they proudly display in their stations.

Mississippi Pilot Directs Seining Nichols Park Lake

Charles Swan who is directing the seining of Morgan lake is a river pilot. His run is from St. Louis to Chicago, but he has made the run from St. Louis to New Orleans.

Pilot Swan, takes his diesel-powered boat into the Illinois river at Grafton. He hits the Des Plaines river at Dresden Locks, which are near Kankakee. From there he can sail into the heart of Chicago, via the Chicago river.

The trip upstream takes three days, and downstream 48 to 50 hours. River traffic is heavier than Morgan county residents realize, he said. As many as four large river boats pass Beardstown in a 24 hour period.

Swan, in speaking of the decay of Morgan lake bank told how he had seen hundreds of yards of the Mississippi fold over and roll into the muddy river on the St. Louis-New Orleans run.

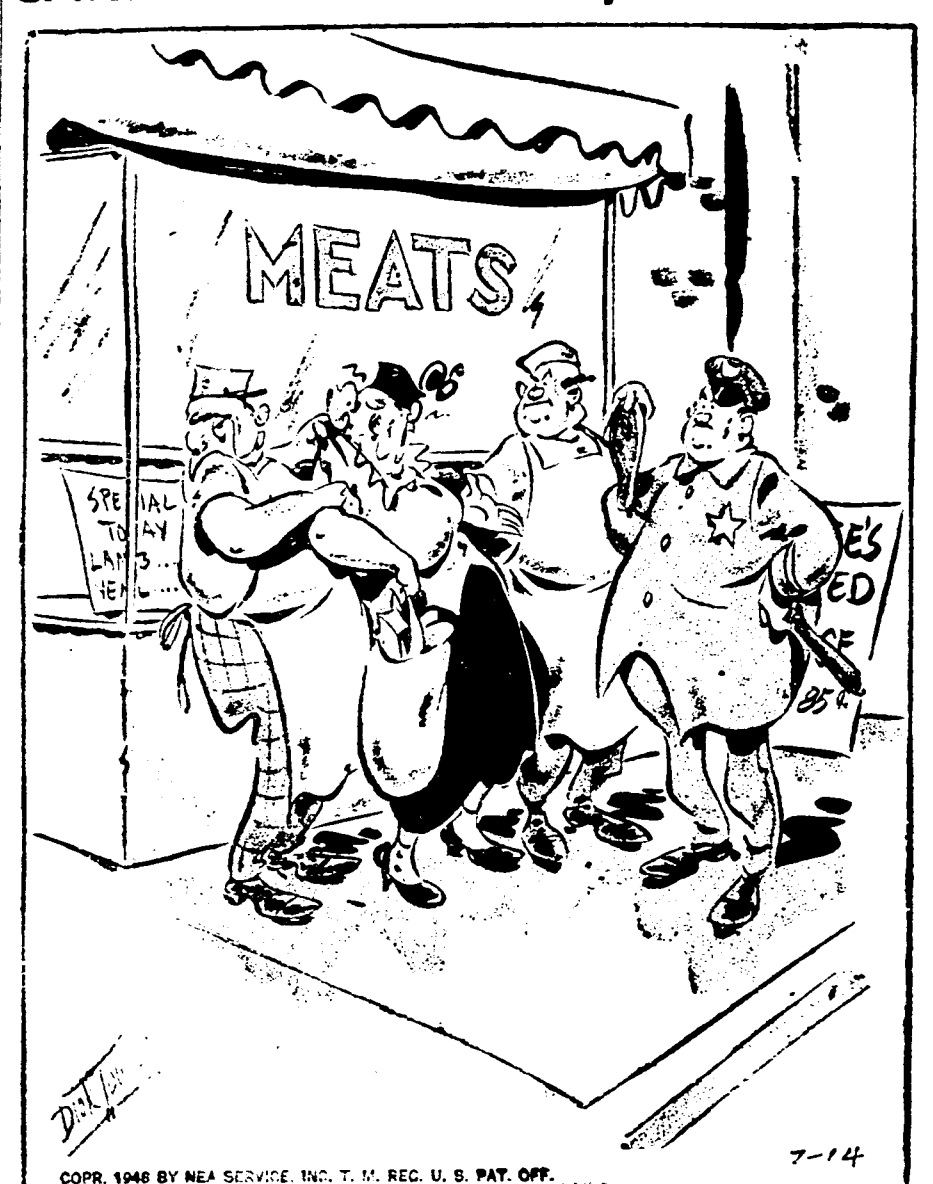

Mark Twain in "Life on the Mississippi" described the process and discovered that the Mississippi river, in winding its way to the ocean, gets 25 miles shorter every year. Twain concluded that by 1980 the Mississippi river would extend from St. Louis to Cairo.

But the days of Twain have passed. The Mississippi is now well chartered, and every channel is lighted. Twain told his readers he used to steer at night by "smell and feel". Now, Swan said, pilots leave pertinent river data in boxes along the route. Each pilot picks up the information in the box, and leaves any changes he has noted.

World War II increased river traffic to never-before-reached proportions. Pending the St. Lawrence waterway, the Illinois river will retain its war gained commerce.

CARNIVAL

By Dick Turner

"All I done was snitch a veal chop and they start hollerin' about cattle rustlers and the code of the west!"

Local DeMolays Plan to Attend District Meet

Louis Henry Clampt chapter order of DeMolay, has completed final plans to attend the district meeting in Quincy on July 25. Cars will leave the Masonic Temple at 8 a. m. on that day for the DeMolay summer camp on the Mississippi, where the regular business meeting and election of district officers will take place.

DeMolays are to take sandwiches and a covered dish. Drinks, table service, and dessert will be furnished for all present. Following the picnic lunch, the district will inaugurate an out-door class of candidates from all four chapters, Jacksonville, Quincy, Springfield, and the newly added Taylorville chapter.

The initiatory degree will be conferred with a mixed group of officers, the following of which will be taken by Jacksonville: Dean Sims, master counselor; Gerald Cumberland, chaplain; Bob Reynolds, junior steward; Wayne Petersen, standard bearer; Jack Moore, second preceptor; and George Souza, fourth preceptor. The entire DeMolay degree will be conferred by the local chapter, the officers being: Jacques DeMolay, a Quincy DeMolay; master inquisitor, Harold Toussaint; senior inquisitor, Jack Peak; junior inquisitor, Bill Jarrett, marshal of the commission, Jack Moore; Guy of Auvergne, Gerald Cumberland; Godfred de Gonneville, Garland Pires, Hughes de Peralde, Everett Turner; lord constable, Charles Covey; senior guard, Warren Ferguson; first guard, John Walker; second guard, Eddie Stafford; third guard, Dale DePrates. The officers will be accompanied

by Dad Harold E. Toussaint, Dad Frank Keppler, and Dad Donald H. Littler, as well as several parents and Masonic friends. The DeMolay Flower Ceremony will be conferred by the Quincy Chapter, following the investiture of the degrees. Jacksonville chapter will have five candidates for the degrees. District Master Councilor Harry Paul, Jr., will preside at the business meeting. State Master Councilor Bob Lattimore, and State Scribe Wayne H. Kron are expected guests for the outing, the first of its kind in the state.

The DeMolay degree officers going to Quincy will practice for the degree work Tuesday at 7 p. m. in the banquet room of the Masonic Temple. It is imperative that all officers be present.

Library Training Course Will Open Monday Morning

Entering its fourth week of a seven-week schedule, the Illinois Library Recruitment Council's mobile training course in basic library procedures will open here Monday morning at the Jacksonville Public Library.

The course began its summer tour of the state June 28 at Giant City State Park near Makanda, moved to Centralia the next week and is now in progress at Paris, Galesburg, Dixon and Oak Park will remain on the

schedule after the five-day training period is completed here.

Instructors are Mrs. Bernice W. Karraker of Dongola, a member of the Illinois State Library advisory committee and a former State Library field visitor for public libraries, and Mrs. Lenora Schwabe, librarian of the Urbana high school library. Dr. Harold Lancour, assistant director of the University of Illinois library school, is course director.

Use Rolling Classroom
One of the Illinois State Library's large, 4,000-volume book-mobiles, which is being used as a reference classroom, will be parked near the library throughout the course.

Special housing arrangements have been made at MacMurray College for the persons planning to attend the week's sessions.

Joe D. Langston, Illinois State Library district librarian of Region Four will address members of the class at the opening of the last day's meeting Friday, July 23, and Miss Vonnetti Dieckhaus, deputy assistant state librarian, will be the state library's official representative at the concluding session that day, when certificates will be awarded to those successfully completing the course.

The Recruitment Council's course is a part of its program to alleviate a shortage of 1,600 librarians in Illinois, and is being offered to the untrained personnel who make up the staffs of about two-thirds of the libraries in the state. It is open also to others interested in library work. The Recruitment Council is made up of representatives of the Illinois State Library, the U. of I. library school, the Illinois Library Association, Illinois unit of the Catholic Library Association and the Special Libraries Association.

VISITING PARENTS
Miss Catherine Goebel is here from Pennsylvania visiting with her parents, Mr. and Mrs. W. G. Goebel, 11 Jones Place. She recently attended an educators conference in Denver, Colo., and visited with her brother-in-law and sister, Mr. and Mrs. Edward Cleary. Mr. Cleary is an instructor at the University of Colorado in Boulder, Colo.

More "go"... for your dough!

When you come right down to it, what you want from a premium motor oil is... the best possible protection and the least added oil from the time you fill till the time you drain.

Conoco Nth Motor Oil (Patented) gives you more for your money because (1) when Nth Oil enters your motor, it OIL-PLATES every working part with an extra film of lubricant and (2) this extra

OIL-PLATING actually stays up on cylinder walls... won't all drain down, even overnight! That means you're extra-protected against power-clogging sludge and carbon due to wear... extra-protected against metal-eating combustion acids... extra-protected against destructive friction.

So, to keep your power... to get more "go" for your dough...

Make a date to OIL-PLATE!

Player Loses Suit Charging Baseball With Monopoly

New York, July 14.—(P)—A \$300,000 damage suit, brought by a suspended player and charging organized baseball with a monopoly in violation of the anti-trust laws, was dismissed in federal district court today.

Judge Henry W. Goddard said he based his findings on a U. S. Supreme Court ruling in 1922 in a case involving the Federal league, a circuit operating outside of organized ball. That ruling held that baseball then was not engaged in trade or commerce under the Sherman Act.

The suit was brought by Danny Gardella, one-time outfielder-first baseman of the New York Giants in the National league. Gardella jumped the club in 1946 to play with other players from the U. S. in the Mexican league.

He was suspended for five years by Commissioner A. B. Chandler. No longer with the Mexican circuit, Gardella charged that the reserve clause in baseball contracts made it a monopoly and kept him from earning a livelihood.

Wet Grounds Cause Postponement Of Softball Games

Last night's doubleheader at Nichols Park was cancelled because of wet grounds.

Recreation club officials said last evening that they were not certain when the tilts might be rescheduled. The slate for the next few weeks is filled.

The Jay Cee girls make their next Jacksonville appearance Saturday night, facing the Jarvis Wildcats of Decatur.

Men's games continue at the southside park tonight, weather permitting. Admission to league combats tonight and Friday is free.

Tonight's schedule features a meeting between two rivals, Myers Bros. and the American Legion. That contest is at 9 o'clock and will be preceded by an A loop encounter between the V.F.W. and the Elks.

HENDERSON NAMED ENVOY

Washington, July 14.—(P)—Loy W. Henderson, a frequent target of Zionist criticism over the Palestine issue, was named by President Truman today to be ambassador to India. He also will serve as minister to the state of Nepal.

Henderson is a native of Rogers, Ark., and a graduate of Northwestern University.

KILLED IN COLLISION

Oney, Ill., July 14.—(P)—Carl McClure of Charleston, W. Va., was killed when his automobile and a truck collided yesterday on highway 50 two miles east of here. His wife was injured.

Jumping animals, such as deer and horses, have no collarbones, since they would be broken too easily.

Wheat Shipping Jam in Southwest Begins to Ease

Kansas City, July 14.—(P)—The wheat shipping jam, brought on by a deluge of grain from southwest harvest fields, showed further signs of easing today.

An embargo, put into effect last Friday on rail shipments of wheat to Kansas City, probably will be lifted by the end of the week.

Ralph E. Clark, manager of box car distribution for the Association of American Railroads, said conditions here were somewhat improved and that the peak of southwest grain movement had passed.

The heavy rain last week hopelessly swamped grain elevators.

Thomas Paine's pamphlet, "Common Sense," was credited in 1776 with crystallizing sentiment in favor of independence for Britain's colonies in North America.

Moose And Squires Lead Junior Loop Through Tuesday

The Jacksonville Moose Juniors jumped back into a first-place tie with the Columbian Squires in the Jacksonville Recreation club's junior league at the high school diamond Tuesday night, defeating the American Legion 15-8. In the other contest, Murrayville Flyers edged out the Exchange club nine 8-7.

The Moose and the Squires now boast perfect records of six victories and no defeats. Closest competition is provided by the Amvets, who have won five and lost two.

Rainouts have prevented a clash between the two leaders.

The standings:

Team	W	L	Pct.
Moose	6	0	1.000
Squires	6	0	1.000
Amvets	5	2	.714
Franklin	3	3	.500
Murrayville	3	5	.375
Pisgah	2	4	.333
Exchange	1	5	.167
Legion	0	7	.000

CORN SHOW'S ONLY STRENGTH ON BOARD OF TRADE TODAY

Chicago, July 14.—(P)—The July corn contract showed the only real strength noticeable on the board of trade today. At times this delivery was ahead more than 2 cents with a good part of the buying coming from cash grain houses.

Action of wheat offered little cause for cheer among those who hold the bread cereal. Both the July and May contracts sank below \$2.28 a bushel at times, putting them under the government loan level here for cash wheat. The loan is \$2.29 for No. 1 hard wheat.

As in the past, the government followed the market in its wheat buying program. It was bidding 55 cents a bushel over the Chicago September future when that future sold at \$2.29 or below. This was a reduction of 1 cent in the premium and 1 cent in the base price.

Receipts were: wheat 232 cars, corn 41, oats 21 and soybeans 18.

Wheat closed unchanged to 1 lower, July \$2.27 1/2, corn was 1 lower to 3 1/2 higher, July \$2.08 1/2, oats were unchanged to 1 lower, July \$65.89, rye was 2 1/2 lower, July \$61.87, soybeans were 7 1/2 to 8 cents lower, July \$3.72 1/2.

East St. Louis Livestock

National Stockyards, Ill., July 14.—(P)—USDA—Hogs, 7,000; slow; weights 180-240 lbs. 25 to 50c lower than Tuesday average; little action on heavier weights; 170 lbs. down steady to 50c lower; sows mostly 25 to 50c lower; some sales off \$1.00 in extremely uneven trading; bulk good and choice 180-240 lbs. and few 250 lbs. \$29.00-50; extreme top \$29.75 for several lots; 160-170 lbs. \$28.25-35; 130-150 lbs. mostly \$25.75-28.00; few early sales 28.25-50; 100-120 lbs. \$22.75-25.25; good sows 45c lbs. down \$22.25-23.50; heavier weights \$19.50-25.25; cattle \$17.00-19.00.

Stag 3,000; calves 1,500; early trade confined largely to light weight steers and mixed butcher yearlings; these fully steady to strong; little action on weighty kinds; few high good and choice yearling steers \$37.75-39.00; choice mixed steers and heifers \$38.00; cows active and strong; common and medium cows \$21.00-24.00; odd head good cows above \$25.00; canners and cutters \$16.00-19.50; bulls firm and active; medium and good bulls \$24.00-25.00; common and medium \$20.00-21.00; cutter bulls down to \$18.00; vealers steady; good and choice \$28.00-32.00; common and medium \$18.00-23.00.

Among the laggards were Sears Roebuck, Caterpillar Tractor and Westinghouse Electric.

U. S. government bonds held steady in the over-the-counter market.

Markets at a Glance

New York, July 14.—(P)—Stocks—Firm; rails, steels rally. Bonds—Mixed; rails decline. Cotton—Quiet; liquidation, mill buying.

Chicago

Wheat—Eased slightly on hedging pressure.

Corn—July strong; other contracts mixed.

Oats—Easy; harvesting starting in Iowa.

Soybeans—Broke sharply with drop in crude oil prices.

Hogs—Steady to 25 cents lower; top \$30.00.

Cattle—Unevenly steady 75 cents lower; top \$40.50.

U. S. Olympic Squads Leave For England

By Ted Smits

Aboard the S. S. America, July 14.—(P)—The main phalanx of the 1948 United States Olympic team, 260 athletes and 44 coaches and managers, sailed today for England on the S. S. America.

Candidates for immortalization aboard the America include Barney Ewell, Mel Patton, Mal Whitfield, Roy Cochran, Willie Steele, Bill Foster, and Jack Delaney in track and field, and Jack Kelly, in the single sculls.

Almost certainly comparative unknowns will come to the front, however, when the games start July 29, just as famous stars are apt to falter.

Track In Line Light

Although all Olympic sports are considered equal, track holds the most attention. It is in this phase that the 1948 squad has probably the best depth and balance of any team America has ever entered. In 16 of 24 events, the red, white and blue runners, jumpers, and throwers are contenders. Only the five distance races from 1,500 meters up, the two walking events, and the hop, step, and jump can be counted in advance as lost.

This boatload of talent—ranging in character from experts in foot-racing to weight-lifting, from fancy diving to pistol marksmanship—represents 15 of the 21 American Olympic teams.

Six Teams Overseas

The other six U. S. teams are either already overseas, are going by air, or are leaving on the British liner Queen Elizabeth tomorrow.

Among the last athletes to go aboard were the 65 male track and field performers. They were called to Randall's Island stadium for a light final workout on American soil in the forenoon under the eyes of their nine coaches and managers.

At the head of the whole American setup was Avery Brundage of Chicago, the veteran Sachem of U. S. amateur sports.

Brundage Optimistic

Brundage, after a last-minute check of American prospects, said things looked pretty good.

Brundage made it clear that although the American Olympic budget has not been met, none who qualified for the teams in the American trials will be left at home.

The last official money count showed \$30,000 short of the \$52,000 estimated as needed for the travel, care and feeding of a total of 341 competitors and 59 coaches and managers.

Brundage said thousands of dollars had come in since then, assuring the tail-end qualifiers that they can forget their worries and come on board.

Brown And Tuero Win In National Clay Courts Meet

Chicago, July 14.—(P)—Tom Brown, San Francisco, and Jack Tuero, New Orleans, seeded No. 1 and 2 respectively, both were forced into duce sets today before advancing to the quarter-finals of the national clay court tennis championships at suburban River Forest.

Brown eliminated Jack Sunderland, Kalamazoo, Mich., 7-5; 6-4, and Tuero defeated Bernard Bartenzen of San Angelo, Tex., 6-2; 7-5.

Clarence Carter, Brown's fellow townsman, also advanced by taking a third round match from the only remaining foreign entry, Vini Rucac, of Bucharest, Romania, 6-2; 6-2.

BONUS CHECKS

Chicago, July 14.—(P)—The Illinois Service Recognition Board yesterday mailed 3,330 soldier bonus checks valued at \$832,114.

This brought the total number of Cook county checks to 287,799, and downstate checks issued by Springfield to 291,199. Value to date is \$21,027,816.

Regular meeting of Malta Shrine Friday evening at 7:30 p.m.

Jackson Resigns Coaching Duties At Carrollton

Carrollton—Bill Jackson, coach of the Carrollton High football and basketball squads for the past three years, resigned his position Tuesday.

Order to continue with his work as an agent for the Equitable Life Assurance Society of the United States which position he accepted at the close of school this spring but only intending to continue the work throughout the summer. Mr. and Mrs. Jackson plan to continue making Carrollton their home.

Jackson's three years as coach in the local school have been successful, with the basketball team of last year being especially outstanding as winners of the county tournament, the Illinois Valley Conference and the district tournament.
